Please help! Karen Veaner will be away facilitating a family transition during the last two weeks of June and would love to have this covered beforehand. We have one volunteer (*thank you!*) and **need at least 5 more people** to commit to shepherding our Interfaith Community Dinner in Myers Park Pavilion A on Thursday evening, June 29th. This involves set-up at 5:00 p.m., hosting, and clean-up. Specific tasks include: transporting picnic supplies, arranging and cleaning the picnic tables, greeting guests, passing out name tags, cleaning up, and removing all trash. Many hands make light work! If you can help on June 29th, please call or text Karen Veaner as soon as possible (607-592-1386). Many thanks!

2. Radon piping was installed, inspected, passed, and backfilled.
3. The plumber started the bathroom drainage layout and rough-in in the new education wing. The rough-in was completed and covered.

6. The firewall construction plan has been finalized.

### **Did you know?...**

... In Sr. High Sunday School, we talked about how Jesus wept when His friend Lazarus died. This reaction to overwhelming emotion shows us a lot of things about Jesus, including His humanity. He relates to us, He knows what we go through, and empathizes with us because He's gone through it too. It's comforting to know that the Son of God and Savior of the world is relatable and in solidarity with us. Then we had some time left so Kevin beat everybody in Apples to Apples!
