## Vacation Bible School on the Starship Galactic Praise

We're embarking on an outer space voyage with a cosmic combination of faith and fun. Through daily Bible missions, you'll see space like never before. We'll be having a week filled with incredible Bible learning, crafts, team-building games, fantastic music and tasty treats. We'll also be involved in a mission project supporting reforestation efforts in Haiti. From start to finish, it's going to be a week your family is definitely not going to want to miss!
